What you will need:

- Craft sticks (preferably wider ones)
- Brown paint
- Black marker
- White paint pen
- Glue
- Buttons
- Ribbon
- Twine (or string)

1. Firstly, paint your craft sticks brown and allow to dry.

2. Once they have dried, use a white paint pen to draw two curvy lines on the top of the craft stick and two at the bottom of the craft stick.

3. Use a black marker to draw two eyes and mouth on the craft stick below the two curvy lines on top.

4. Make a bow from the ribbon and glue the bow below the mouth.

5. Glue three buttons to the middle of the craft stick.

6. Finally, attach a piece of twine or string to the back of the craft and hang it from the Christmas Tree
